Dennis gave us an update on events of the year 2025

1-The June tournament was successful. Teams enjoy this tournament very much. We have a great turnout of volunteers. Thank you Pat and Brenda

2-The Baughman Fund. The board decided on a gift of a new treadmill that will be put in the new senior center (it is currently at the Armory). Currently we are subsidizing Pizza dayplay & nightplay once a month, the One Pitch tournament, Spring fling, Christmas Party and the Giants trip. We bring in money from membership, the Christmas raffle-auction and interest from the Baughman fund.

3-We lost 12 members of the club this year: Dave Reck, Al Davis, Jack Erickson, Ray Garcia, Junior Corsare, John Pinkerton, Junior Afoa, Ed Ausiello, Charlie Hilderbrand, Ken Graham, LaVerne Miller and Tom Morgan

4-Day play and the night league have been well attended.

5-The Saturday league has 8 teams this year.

6- Our one pitch tournament had 100+ players.

The floor was then open to questions for the board to discuss at the executive board meeting.

1-Could the rainline number be bigger on the website? Also pictures need to go up.

2-Where are the dues paid on the website reported?

3-Would we like to do some apparel since it has been several years?

4- We have a player who is young and strong, but needs to tone down his throws for fear of hurting someone. Can the board talk to him?

The meeting adjourned at 7:37p.m.
