Minutes for March 2, 2026 Board of Directors Meeting

The meeting was brought to order at 6:35 p.m. in the Sunset room, Veterans Memorial Building, Redwood City

Not present: Dennis Logie  
Guest: Paul McGowan

Minutes from February were approved  
Treasurer's Report read and approved.

1-There was discussion on moving some money from the CD's to safe stock options. Bill and Rick will do some research into it.

2-Tournament update. We are still waiting to hear from the Recreation Department on the availability of the softball fields due to reconstruction of the fields.

3-Discussion on the softballs used for play. We are fine with the amount of SB-12s. Mike will order a case of 6 dozen balls similar to the Thunder. Bill will order 9 dozen Baden Fire from NCSSA Associate.

4-Night league has moved to Highlands, San Carlos. Lights went out but after a phone call, the field was relit. The Field co-ordinator got locked in the bathroom.

5-Saturday League review. Pete sent out a flier asking for comments about Saturday league. Most were positive, special thanks going to Hiro, Sergio, Paul and Brenda for all their work. Prime Time seemed to have the most complaints. There was discussion about having a manager's meeting before the season starts to go over the rules and why they are in place. Having the rules stated at the beginning of the games seemed to work well, although some complained since the rules changed depending on the match-ups which made it hard to remember. Also at that meeting there will be a push for volunteers to work the fields at the 9:00 games and also to put away equipment at the end of the day. Eight teams seemed to balance the league.

6-Spring Fling will be June 2.

The meeting was adjourned at 8:20 p.m.
